**The Baer Group, LLC Recognized as a Northrop Grumman World Class Supplier**

*In recognition of its commitment to quality, technical performance and value*

**Atlanta, Georgia. June 20, 2011** – The Baer Group, an Atlanta-based SAP staffing and consulting firm, is pleased to announce that Northrop Grumman has honored it with two supplier excellence awards. The Northrop Grumman Information Systems Supplier Excellence Awards recognized 26 companies for meeting the highest criteria for schedule, management performance and responsiveness, technical performance, financial performance and quality and mission assurance.

Accepting the award in Arlington, Virginia was Harvey Baer, Chief Executive Officer of The Baer Group who commented, “Our relationship has been strong for many years due to our absolute commitment to quality and value. This focus, combined with the flexibility of both parties as required, forms the basis for a long-lasting partnership.” Click [here](http://www.irconnect.com/noc/press/pages/news_releases.html?d=207012) ([http://www.irconnect.com/noc/press/pages/news\\_releases.html?d=207012](http://www.irconnect.com/noc/press/pages/news_releases.html?d=207012)) to read more about Northrop Grumman’s Supplier Excellence Awards.

Additionally, The Baer Group was one of 23 companies awarded the Northrop Grumman’s World Class Team award. This award recognizes suppliers who have demonstrated exceptional support and commitment to the Socio-Economic Business Program’s (SEBP) goals and objectives and who have consistently demonstrated responsiveness and flexibility to help meet Northrop Grumman’s production needs.

CEO Harvey Baer accepted the SEBP award during a luncheon in Manhattan Beach, California. He attributed much of The Baer Group’s success over the last decade to Northrop Grumman’s commitment to small business programs, which have played a key role in connecting small business capabilities with Northrop Grumman government programs.
